About Our Facility

Established in 1912, Twin Lakes Country Club is one of Wisconsin's oldest golf courses. It has been family owned and operated for over 30 years by the Cantwell Family. The golf course can be described as unique and fun for all ages and abilities. We have five par 5's, six par 3's, and seven par 4's. The course is very forgiving off the tee but accuracy is a premium with our small and true greens.

We also have a driving range with grass and artificial turf, and practice bunker. Two Golf Professionals on staff are available for private lessons, groups, and clinics. Mike Jones and Chad Cantwell will be the directors of the Twin Lakes Junior Golf Academy.

Great Preparation for High School and College Golf!!!
