Catering & Events Testimonials

While every couple hopes for beautiful weather, unfortunately our day turned out to be rainy, damp and cool. Even with the inclement eather the entire staff at TLCC did everything possible to salvage our day. A number of my guests work in the banquet or food and beverage industry and concurred that the way the staff handled the situation was above and beyond. Speaking of food and beverage, our selections far surpassed our expectations. Today, everything is about customer service and all I can say is that the service we received from TLCC, from the entire staff, was top notch.
03/30/17

We had an amazing wedding! The location was beyond beautiful and the food was delicious. Everyone was amazed by the surrounding. All of the staff were very professional and made sure that your big day went smoothly. Thank you so much TLCC for a day to remember forever.
07/25/17

We couldn't have picked a more perfect venue for our wedding. The Red Barn was absolutely stunning. With how detailed Chad and the Country Club were during the planning process we were able to relax and enjoy our flawless day, because they had everything covered perfectly. All of our guests raved about how amazing the food was and how awesome our bartenders were. I will hands down continue to recommend TLCC to all of our friends and family, they are absolutely the best!
